To be eligible for a one-off repair you must also sign up for a membership plan with 24|7 Home Rescue. If you cancel your membership plan before the agreement has been completed you will be liable to pay the full cost of the repairs. If

26. SERVICE AGREEMENT

In designing our service plan, we decided to become fully independent but still operate the similar underwriting model as required by the Insurance Industry.

As a service provider 24|7 Home Rescue operates as a non-insurance registered entity. This is a very important attribute in keeping our operating costs to a minimum. Traditional warranty companies usually operate on an insured basis and are either owned or contracted to an insurance company. We are not registered with the Financial Conduct Authority. Our service plan is outside of the FCA's remit, as it is a service plan.

27. APPLICABLE LAW

This Service agreement may only be relied on and enforced by the Providers and you and shall not be directly or indirectly enforceable by any third party under the Contracts (Rights of Third Parties) Act 1999 or otherwise. This Service agreement shall in all respects be governed and construed in accordance with the laws of England and Wales and, subject to the terms of this clause, any disputes arising between the parties under this agreement shall be referred to the exclusive jurisdiction of the courts of England and Wales, unless the protected **home** is located in Scotland, in which case the law of Scotland shall apply.

28. DATA PROTECTION ACT

Details of you and your Service agreement will be held by the Providers and the Providers in their computer records for underwriting, processing, claims handling and fraud prevention, subject to the provisions of the Data Protection Act 2018.

To help us improve our service, we may record or monitor telephone calls, subject to the provisions of the Data Protection Act 2018 and any other relevant legislation.

We may also share information in confidence for processing and contract management with other companies including those located outside the European Economic Area.
