## 32. HOW TO ARRANGE EMERGENCY ASSISTANCE

- a) Emergencies which could result in serious injury to the public or damage to property should be immediately advised to the Service Provider and/or the public emergency services. The service agreement does not provide cover for any repairs, damage or other loss resulting from gas leaks which occur outside the boundary of the **home**.
- b) Before requesting **emergency assistance** you should check that the circumstances are covered by **your** service agreement. Remember this is not a maintenance service contract and does not cover routine maintenance in **your home**.
- c) Where **you** have chosen to pay monthly, any **call out** will only be considered if **your monthly fee** has been paid from the **commencement date** of this service agreement, up to and including the month in which the **emergency** occurred and there are no outstanding payments.
- d) **You** must telephone **our helpline** within 24 hours of the **emergency** occurring and provide details of the **assistance you** require. All requests for **emergency assistance** must be made through the **helpline**. Do not make any arrangements **yourself** without prior authorisation from the **helpline**. If **you do, we** will not reimburse any costs **you** may incur. Please note failure to notify us of the emergency within 24 hours could invalidate your claim or incur an excess payment.
- e) The **helpline** will appoint an **approved engineer** to attend **your home**, provided that this is not precluded by adverse weather conditions, health and safety, industrial disputes (official or otherwise), failure of the public transport system including the road and railway networks and any other circumstances preventing access to the

home or otherwise, making the provision of **emergency assistance** impossible.

- f) The **helpline** and the **approved engineer** will have reasonable discretion as to when and how work is undertaken. This will be based on a detailed risk assessment. **We** reserve the right to delay or cancel repairs deemed a health & safety risk.
- g) The **approved engineer** will charge all costs covered by the service agreement directly to **us**. Under no circumstances must any payment be made direct. **You** will be asked to pay the cost of:
  - i) Any **excess** applicable to the service agreement;
  - ii) **Aborted Call out** costs if there is no one at the property when the **approved engineer attends**.
  - iii) Fitting replacement parts or components of a superior specification to the original at **your** request or our engineer's recommendations.

### 33. RENEWALS

Your service agreement will automatically renew following receipt of your payment for the **period of protection** as defined in your cover plan. For customers that have opted to pay annually, a payment will be automatically taken from the direct debit details provided.

The price will be reflected in your renewal quote. If your renewal quote has changed we will notify you. Factors that may affect your renewal quote are; inflation, claims frequency and length of time on cover. If we do not receive notification of cancellation then we will automatically renew the service agreement based on the renewal quote.

### 34. COOLING OFF PERIODS AND CANCELLATIONS

**We** hope **you** are satisfied with the cover this service agreement provides. If this service

agreement does not meet with **your** requirements please write to 24|7 Home Rescue within 14 days of issue (the Cancellation period) and **we** will cancel the agreement. Please note, only **you** or **your authorised representative(s)** should write to cancel. The cancellation period provided within **your** service agreement is inclusive of the statutory 14 day period which begins on the **commencement date**, or 14 days from the date **you** receive **your** service agreement documentation, whichever is the earliest. **Please note you are entitled to cancel your service agreement at any time irrespective of whether you are paying by direct debit or have paid by a single annual payment. Please note the following terms:-**

- a) Where **your** service agreement is cancelled within the cancellation period and **you** have not made an accepted claim (i.e. a claim which results in the attendance of an engineer to affect a repair) **you** will receive a refund of any fee **you** have paid to **us**.
- b) Where **your** service agreement is cancelled either within or after the cancellation period and **you** have made an accepted claim **your** fee will **not** be refunded.
- c) Where you have paid by way of a single payment providing cover for 12 months and have not made any accepted claim, if you cancel within the cancellation period your fee will be refunded in full. If you cancel outside the cancellation period and have made an accepted claim or have had an engineer's visit (e.g. boiler service), you will be subject to a cancellation fee. The cancellation fee payable is £120 excluding VAT (£144).
- d) In any event **you** will need to pay for any non-protected service that **you may** have received.

### 38. SERVICE AGREEMENT

In designing our service plan we decided to become fully independent but still operate a similar underwriting model as required by the Insurance Industry. As a service provider 24|7 Home Rescue operates as a non-insurance registered entity. This is a very important attribute in keeping our operating costs to a minimum. Traditional warranty companies usually operate on an insured basis and are either owned or contracted to an insurance company. **We are not registered with the Financial Conduct Authority. Our service plan is outside of the FCA's remit, as it is a service plan.**

### 39. APPLICABLE LAW

This Service agreement may only be relied on and enforced by the Service Providers and you and cannot be directly or indirectly enforceable by any third party under the Contracts (Rights of Third Parties) Act 1999 or otherwise. This Service

agreement shall in all respects be governed and construed in accordance with the laws of England and Wales and, subject to the terms of this clause, any disputes arising between the parties under this agreement shall be referred to the exclusive jurisdiction of the courts of England and Wales, unless the protected **home** is located in Scotland, in which case the law of Scotland shall apply.

#### 40. DATA PROTECTION ACT 1998

Please note that any information provided to **us** will be processed by **us** and **our** agents in compliance with the provisions of the Data Protection Act 1998, for the purpose of providing service agreements and handling claims, this may necessitate providing certain information to third parties.
